Tennessee Driver's License Info

for New Residents of **Lenoir City, TN**
37771 & 37772

updated June, 2017

This is NOT official--it's NOT a government document. This brochure is just **my** understanding of the Tennessee Driver's Handbook, the Tennessee website: www.tn.gov & the responses of local officials who have patiently answered my questions. It was written to make your move easier. PLEASE let me* know if you find any errors, so I can correct them. Thank you.

Tennessee law requires that you notify the TN Dept. of Safety & Homeland Security of any permanent **change of residence**:
within 30 days if you are moving from out-of-state:
<http://tn.gov/safety/article/dlnew>

& within 10 days if you already have a TN Driver's License: <http://tn.gov/safety/article/dlchange>

If you do **not** CHANGE YOUR ADDRESS with the Dept. of Safety and are stopped by a law enforcement officer who asks: 'Is this your current address?' you may get a ticket--& be fined hundreds of dollars!

Seat Belt Laws in TN

Tennessee requires that ALL vehicle **drivers, front-seat passengers** and **all children** must wear seat belts. Children weighing under 20 pounds must be in rear-facing **approved** carseats and children under 9 years old OR under 5 feet tall **must also be in an approved booster seat**. Violators can be fined \$50 per offense.
